INSPIRING BEYOND MEASURE

18th December 2017

Dear Families

We're all looking forward to a lovely final week of term before Christmas. Last week, the PTA Christmas fundraiser, at the final count, raised over £950! This shows quite clearly what the community of Castle Academy can achieve together.

Please take time to complete our Parent Survey as your feedback is a key element in ongoing school development. We have attached a paper copy for you to complete or you can also use our MyEd App to provide your thoughts. Please have these completed by Thursday evening at the latest (paper copies can be returned to the office).

Everyone needs to be in full school uniform each day apart from Friday, which is our non-uniform and party day (Christmas jumpers are welcome on Friday!). Please also use the holidays to check that your child has a full school uniform ready for a smart start to the spring term. A few children have come to school recently in items of clothing that do not support our policy so we'll be expecting everyone to wear full school uniform in future.

We invite families to join us for our Carol Concert on Thursday at 2:30pm in the school hall. The school disco takes place this Thursday from 4:30pm until 6:00pm and is open to children from all year groups. Don't forget to buy your disco ticket beforehand - £3:00 from the school office.

Please remember that school starts after the holidays on Tuesday 9th January. Please make sure children are ready to line up for 8:40am. We'll all need to work together to ensure that children always arrive to school each day at the correct time as many lessons have been disrupted by lateness in recent weeks. We appreciate your support in this.

Many thanks

Parent Survey December 2017

We would be grateful if you would spend a couple of minutes completing the survey below.

The results will help us as we strive for continual improvement. If you have more than one pupil in school, it would be helpful if you could complete a survey for each child.

Please tick as you feel appropriate

	FS2	Y1	Y2	Y3	Y4	Y5	Y6
