

Curriculum Map for September 2018- July 2019

In September we will introduce new overarching themes for the school curriculum. Each term we will be “launching” the whole school theme with a special assembly and at the end of the term we will invite you to a “landing” event. The autumn term theme is called “Let me entertain you” and the launch assembly for children will take place on Monday 10<sup>th</sup> September. Watch out for that week’s newsletter for more information.
