

Pupils Home-Learning

Log on to Teams with your user name and password.

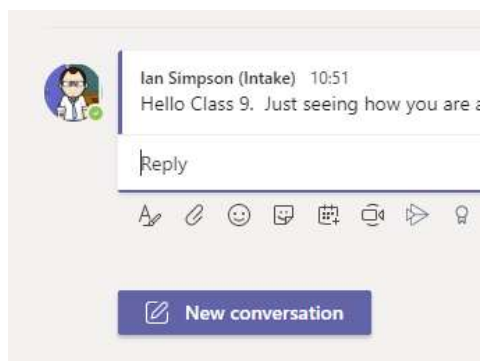

Posts: This is a list of all work, conversations and meetings that have been held. The most recent work is shown at the bottom of the list.

Files: This is work or examples that the teacher or pupils have uploaded.

Assignments: This is work that the teacher has put on for the children to complete. It might be a video with directed work or a quiz. The assignments have a due date for completion.

Grades: Teacher comments and marks for the assignments that have been given.

Conversations:

Conversations are seen by everyone and checked by the class teacher.

You can reply to a current conversation or start a new one.

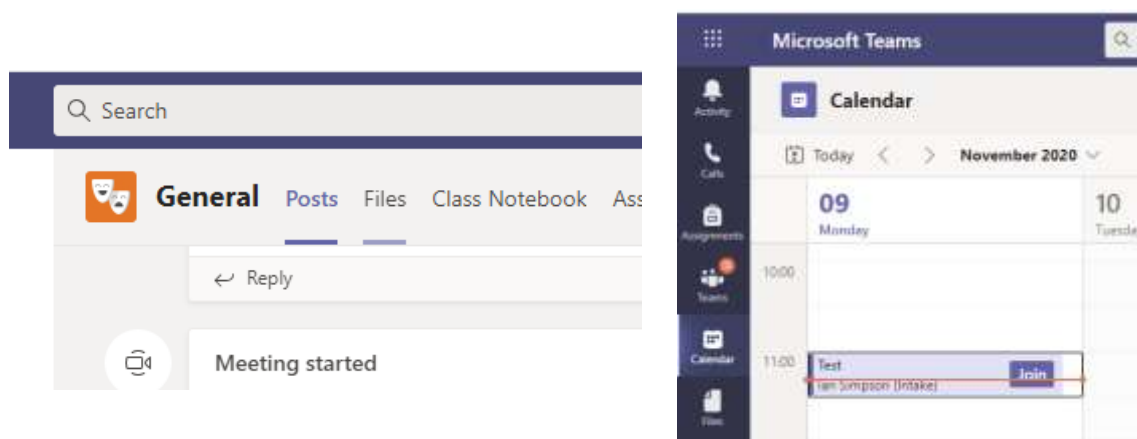

Conversations should be around the work set.

You could ask for help on a task, clarification or a general comment about the work.

Once you press return it will post so don't try and write in more than one paragraph.

Live Lessons / Feedback

There will also be live links with the class teacher. These meetings will be scheduled throughout the day. They will provide you with an opportunity to ask questions and get feedback on work completed. There will also be new learning and direction on tasks to complete. The meetings will appear in the **Post** section or in the **Calendar**.

Live sessions are recorded if pupils need to watch back to clarify a teaching point.
